To Whom IT May Concern,

My name is William J. Morris Sr. and I am the training Lieutenant for the Seminole County Sheriff's Office in Sanford, Florida. We have had the privilege of working with Stop Tech for about eight years. The Seminole County Sheriff's Office has been utilizing Stop Sticks since 2002 and has been very pleased with their performance. We conduct Stop Stick training for all the seven cities within Seminole County. The staff at Stop Tech has always been responsive to law enforcement's needs and concerns. They constantly work to improve their products and are very interested in suggestions and comments from the law enforcement community. Stop Tech is very supportive in our efforts to conduct quality training with their products and are quick to respond to any problems that we may encounter.

Sincerely,

Lt. W. J. Morris Sr.
