OFFICE OF SUPERINTENDENT OF POLICE

MARK J. SWISTEK

Reference: Stop Tech Ltd.

To Whom It May Concern:

The Michigan City Police Department has purchased Stop Stick tire deflation devices for many years from Stop Tech Ltd. We value our customer vendor relationship and have been extremely pleased with their products and customer service. Over the years we have continued to purchase the tire deflation devices and now have a set of "Stop Sticks" in each of our 93 police units. On several occasions these devices have proven to be very valuable in terminating a "vehicle pursuit" in a safe and efficient manner. The relationship between our agency and Stop Tech Ltd has been very rewarding. Their customer service regarding our training supplies or additional products has always been met with a quick response and quality products. I would welcome the opportunity to discuss our relationship with Stop Tech Ltd and please feel free to contact my office if I can be of further assistance.

Sincerely,

Mark J. Swistek
